About X-HUB TOKYO

X-HUB TOKYO is a platform that connects Tokyo with the global innovation ecosystem and accelerates the startups that will open up a new era.

This project will provide the information for capturing overseas markets, as well as opportunities for networks, mentoring, and pitches with major companies and venture capitalists for Tokyo-based startups and will support the creation of the new normal through interact between overseas startups and companies including startups in Tokyo.

About INBOUND PROGRAM

This online program is envisioned to promote global collaborations between overseas startups and domestic companies in Tokyo across the business domains of Mobility.

In this program, we offer you a variety of menus to support your company for future scale-up as follows; mentoring sessions guided by experienced business professionals, lectures on legal requirements and marketing strategy that are crucial for expanding your business in Tokyo, business matching opportunities with large companies, VCs, startups that are based in Tokyo, and pitch events.

Program Schedule

- Mobility course: 2/21/2022 (Mon) – 2/25/2022 (Fri)
- Accomplishment Report Event: Early March 2022

*1 The program will be held online.

*2 To ensure that you get the most out of the program, pre-mentoring will be provided before the program begins.

*3 The date and time of the Accomplishment Report Event will be announced as it is confirmed.

*4 See p.9 "Program Schedule (Tentative)" for details.

Contact

X-HUB TOKYO Administration Office (Deloitte Touche Tohmatsu LLC)

E-mail: x-hub.tokyo@tohatsu.co.jp

Selection

Numbers of companies to be selected

10 startups per each course

Selection

All applications are reviewed and evaluated based on the judging criteria, and the selection will be carried by the examination committee composed of external experts. We will announce the selected startups on the official websites of the Tokyo Metropolitan Government and the administration office. In addition, the administration office will notify all applicants of the judge results.

In order to select startups with more advanced technologies, the selection will be conducted according to the following criteria.

- Feasibility and track record of expansion into Tokyo
(e.g., has launched a product/service, has won a competition, has experience of business alliance)
- Clarity of business model and competitive advantage
(e.g., demonstrate compatibility with the Japanese market, quantitatively and objectively demonstrate the competitive advantage of your product/service)
- Applicant's enthusiasm
(e.g., Strong motivation to apply)

Selection Schedule (Tentative)

- Application Period: 8/23/2021(Mon)-10/22/2021(Fri) 5:00PM (JST)
- Selection Period: Late October to mid November 2021
- Announcement: 11/19/2021 (Fri) (Tentative)

Precautions

- Please note that applications might be subject not to be reviewed in the following cases:
 - When the applicant violates or is likely to violate laws and regulations or public order and morals.
 - When there is a defect in the application content.
 - When the applicant submits false information stated in the application forms or makes a false declaration to the administration office.
 - When an applicant is engaged in relationship with antisocial forces or any similar parties.
- The application information will be used and shared by the Tokyo Metropolitan Government and the administration office to the program cooperation partners (hereinafter referred to as “cooperators”) to the extent necessary for this program. Furthermore, any information collected through this program will not be distributed to third parties other than collaborators without your prior consent. We are unable to respond to any inquiries regarding the selection process or results.
- Applications may be asked to withdraw your participation from the program at any phase of the program in case deemed inappropriate for the program by the Tokyo Metropolitan Government and the administration office.
- The screening application forms and selection will be conducted by the administration office and approved by the Tokyo Metropolitan Government
